Please carefully read and review the procedures and expectations for Mr. Portenga's class located at <http://portengaclass.com>. Click on Mr. Portenga to see a list of classes under the banner. Click on the AP Psychology button. There you will also find a quick video tutorial about all the site has to offer for studying near the top of the AP Psychology Page. We have read the parent letter and taken a tour of the classroom website (<http://portengaclass.com>) by watching the tutorial found at the top of the AP Psych page and agree to abide by the classroom procedures set forth by Mr. Portenga.
