I look forward to this upcoming year with you and hope that we can work together to make you successful in this class. It is always my hope that all of my students will successfully complete my course and enjoy the journey in doing so. Please do not be afraid to come and see me with any questions or concerns. I am available and willing to help anyone that feels they need it before and after school, during Academy, and during lunch. Please come see me to set up a time to work together to make you a success a in this class. Together, we can meet our high expectations for you!
